

Baxi GasSaver 2

Flue gas heat recovery unit

Our innovative flue gas heat recovery device for Combi and System boilers. Recycles heat from the flue to save energy, reduce emissions and increase a property's SAP rating. Designed specifically for new build developments, Baxi GasSaver 2 FGHR is also maintenance-free and has been manufactured under a patent from Canetis.

**EXCELLENT
SAP
BENEFITS**

**REDUCES
RUNNING
COSTS**

**KIND TO THE
ENVIRONMENT**

**NO NEED FOR
REGULAR
SERVICING**

Easy to install

- Pipework concealed within the footprint of the FGHR unit and the boiler, making it easier to install
- Reduced flue plumbing allows for more flexible siting

Efficient

- Transfers heat from the flue into the cold water feed for DHW, meaning less stress on the boiler
- Reduces carbon emissions and the cost of energy

User-friendly

- Whisper-quiet operation
- No moving parts, so no annual service or maintenance required

Compliant

- Ensures the heating system adheres to the latest building regulations
- Complies with Water Supply Regulations and Byelaws
- Approved by the Water Regulations Advisory Scheme (WRAS)

Compatible with...

- Baxi Assure Combi – wall-hung boiler

Technical details

	UNITS	Baxi FGHR
Product code		7712941
Product Characteristics Database Index number (PCDB)		060045

DOMESTIC HOT WATER CIRCUIT

Maximum inlet circuit pressures	bar	5*
Minimum operating circuit pressures	bar	0.2
Maximum flow rate	l / min	up to 15#
Minimum flow rate	l / min	2.5

CONNECTIONS (STAINLESS STEEL)

Cold water mains inlet	mm	15
Pre-heated mains outlet	mm	15

DIMENSIONS

Casing height	mm	278
Casing width	mm	390
Casing depth	mm	290
Overall depth	mm	325

WEIGHTS

Packaged weight	kg	18.4
Installation lift weight	kg	15.6
Weight - full	kg	24

CLEARANCES†

Above casing	mm	175
Below casing	mm	80
Front - for inspection	mm	450
Front - in operation	mm	5
Left and right hand sides	mm	5

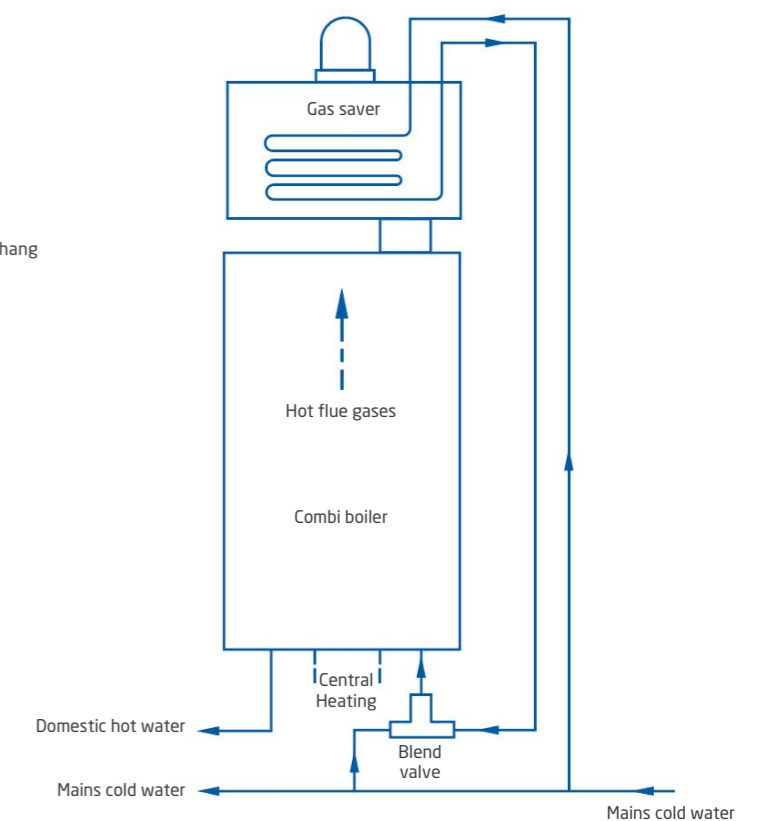

* If required fit a pressure reducing device to achieve this.

Depending on boiler model.

† The Baxi FGHR overhangs the boiler by 40mm at the front, this must be taken into account as the boiler depth plus minimum clearance dimension is no longer valid.

INSIDE THE UNIT

How we can help you

With Baxi, the heating system is only part of the story. We're also passionate about giving you the service and support you need, for the lifetime of your Baxi product.

Baxi Design

Our design service team will plan and configure installations around each property's unique requirements, free of charge.

Baxi Genuine Parts

We have a full range of approved spares and quality heating essentials for all Baxi Assure products. Visit baxi.co.uk/genuineparts for more information.

Literature and BIM libraries

We have installation instructions, user guides and BIM files for our product ranges, available at baxi.co.uk/specification

Unique maintenance plans

We provide comprehensive homeowner maintenance and support plans.

Baxi Project Hub

Baxi Project Hub is our intuitive project management portal, where specifiers and contractors can register Warranty and Gas Safe notifications for Baxi Assure installed products. There's also the Project Hub app, so that warranty registrations and Gas Safe notifications can be done on site. Visit baxi.co.uk/projecthub or speak to your Business Development Manager to find out more.

Product Training

We offer practical, hands-on courses, covering all Baxi Assure products. They're carried out by qualified experts at our state-of-the-art training centres nationwide. Visit baxi.co.uk/assuretraining or speak to your Business Development Manager to find out more.

Expert service and support

We're always here to help with product queries, installations and maintenance. Visit baxi.co.uk/trade/assuretechnical or call our Technical Support Helpline on 0344 871 1525 for more information.

For everything else

Contact your Business Development Manager at baxi.co.uk/assurecontact for more information.

Baxi Assure, The Complete Home Service

As the UK moves towards a carbon neutral future alongside an ever growing demand for housing, providers are having to take a fresh approach. That means more tenanted social housing, and more economical, energyefficient new homes.

With our fresh approach, we'll make sure we deliver the reliable, efficient heating and hot water solutions our specification partners need – for today and tomorrow.

The Baxi Assure range of solutions does just that, with a broad range of boiler, cylinder and low-carbon product packages to suit any new build or refurbished property.
